

Philosophy

To be knowledgeable and virtuous,
to lead a sustainable community
to be a source of Thai wisdom

Vision

For Sisaket Rajabhat University to be
an academic centre providing local people with
resources for life-long learning and personal
development. For its graduates to be self-reliant
and to be instilled with a spirit of responsibility
towards society.

Mission

1. Management of education at graduate level, while contributing to the community by stressing the virtue of academic knowledge in passing on Thai wisdom.
2. For graduates to be self-reliant and to be engendered with a sense of responsibility towards their society and locality.
3. To adapt and disseminate information about technology in an appropriate way, which can be used for the sustainable development of the local community.
4. To offer academic courses and to be a

centre of education and life-long learning
for the local community.

5. To create body of knowledge by a process of research, which can be applied to sustainable development.
6. To preserve local arts and culture and to pass on this knowledge to succeeding generations.
